Bi-Centennial collection

The hey-day of the Bi-Centennial has passed and the precancels of that issue have hit rock bottom now in my estimation. In most cases you can purchase them at a lower price now than when they were current and just passing out of the offices. For someone who wants to start a not too large collection, Bi-Centennials offer a fine field. Of course you won't get any traders on your current mail but outside of a few dealers who believe in inflationary prices you can purchase the things at rock bottom prices. I have seen quite a few the past winter at 5 and 6c each. Of course there are those better items from the scarce states which Type and Town collectors are getting too because they can't get anything else for their collection, these will run higher, but it won't take you long to spot a good item from a common one and with a little diligence a fine collection can be built while the boys are chasing something else in another pasture. Bi-Centennial sets are very attractive. Twelve stamps make a nice layout on most any size album page and some few collectors I know only mounted their complete sets. Of course to me that takes the kick out of the thing but it is an idea. If you have a few Bi-Centennial precancels get them out and look them over and just visualize how they would look mounted.

THIS IS CONVENTION MONTH

For years past, stamp conventions have been held in August. August has also been a favorite month for vacations and as a result many real stamp enthusiasts have combined their vacation with attendance at one or more of the stamp society conventions. It has been noted that the meeting places of the National Societies have often been selected with a view to having them not too distant from one another and in the same general locality in order to make it more easy for those who wish to take in the different meetings. This year the Precancel Stamp Society opens the season at Columbus, Ohio on August 8th and will be in session until the 11th. In the following week the S. P. A. will meet at Cleveland and close on August 18th. During the week of August 18th to 24th, the A. P. S. will meet at Chicago. These three conventions will be covered by a goodly number of collectors who will take in all of them as a vacation period. Stamp society conventions are unlike most other conventions. It is not necessary that one belong to any of these societies in order to attend their conventions and partake of the entertainment that is provided, everyone interested in stamps is welcome, but those who are members of the societies usually get a bit more from their membership than comes to those who are not members. Every collector really should belong to one of the National Societies. It is to be regretted that we have more than one such society. Philately ought to be bound closer together with but a single society and with more activity in that single society to take care of the pent up enthusiasm of that group who seek activity in a society.

None of the Societies are properly organized to provide for this extra activity and that fact is usually the cause for more than one society.

If one of our national societies were properly organized it would show much greater growth than ever in the past and would provide activity for those who crave it.

As some food for thought to those who would be interested in seeing our hobby organized on an extensive scale, we want to make a few suggestions which we believe would result in a much stronger and larger national organization if carried out.

We would start with the town or city club as the base, rather than with the National Society. Any group of five or more would be urged to organize a club. There are already hundreds of such clubs throughout the country and more could be organized.

The final rules for participation in the activities of the National Society could be very much as they are at present for the Chapters.

After the town or city clubs we could organize the State, drawing the lines to each state boundary as a unit. The State organization would have a President; Vice-President, Secretary-Treasurer and a Sales Manager, other officers might be added if there were a need for such. The State organization would have direct contact with all the clubs within the state and the officers would be elected by the town or city clubs, one vote to each club within the state. This form of voting would give the small town equal representation with the larger cities.

The State groups would hold annual conventions and shows. These would in all cases be within reach of practically all members within the state whereas National Society Conventions are too far away for many people to ever think of attending.

The President of the State group would be a representative for his state in a House of Representatives of the National Society and as such would cast the vote for his state in all matters concerning the National Organization. The National Organization could hold at its option, National Conventions or exhibitions or both, but on the other hand, the business of the organization could be carried on by mail at little cost and promptly, instead of waiting till the annual convention each year, since the business to be transacted would be directly with each state President or Representative of the National organization.

It would readily be possible to set up rules which would permit certain matters to be handled by the State Representatives while other matters of a definite nature could be handled through the city clubs who would vote their preference and instruct their State Representative who would then cast so many votes for and so many votes against any proposal or the voting could be yes or no, based on the total result in any state.

In an organization such as this the Sales Manager for the National body would supply sales department books to the State Sales Manager who would circulate them within his state to his city or town clubs and then return them directly to the National Office.

The National body would concern itself mostly with devising ways and means to interest and entertain its membership. There could be provided a circulating library of film with illustrated lectures on stamps, a circulating display or exhibit could be arranged and many other things done that would serve the small town groups. That is the one thing lacking with National Societies today. If you ask any member what the society does for the members he will look at you with a blank stare and find it impossible to give you any real answer.

The above is merely a rough outline of what I believe necessary to organize Philately in the right manner. The rules etc., could be worked out with little difficulty. The main object is to provide action and activity for as many collectors as possible for it is action and contact that keeps interest alive.

About That McGreeley Express Local

It is too bad to spoil the "thrill" of a supposed discovery, but it is sad truth that the find of a 25c McGreeley local, as reported by an unsigned article in the Stamp News for July 18th was nothing at all worth even a tiny stir of excitement. I have had one of the things myself for years, and presume many of the older collectors could show others, mounted on the "curiosity page" of the albums, just as in mine.

The full history of the stamp was published years ago in Meekel's Weekly Stamp News. I do not remember the date, and cannot look it up as I disposed of my file when moving into a smaller home, but if anyone has the file, plus patience enough to look over the index of each volume in the early years of this century, the story of that Stamp can be found.

As I recall it, the issue had a speculative taint, issued more to produce something collectors could be induced to buy than for any actual need, a few being used on mail pieces in order to give them an apparent honorable status, but as the mail would have gone through just as well anyway, and the additional stamp was purely a private enterprise for the benefit of its promoters the stamp failed to ring true, and in spite of various attempts to prove the necessity for its existence, the issue was a "flopper, and came a cropper" to quote one of those old-time collectors.

Later on the holder of the remainders offered a copy free to anyone who would send a self addressed envelope for it. That was how I obtained my copy, and probably many others were passed out the same way, including originally the one now held, and described, by the Stamp News reader. I personally know of quite a number of collectors who sent for a specimen in that way, just for a curiosity, but had failed to notice that it had finally managed to wiggle into the Scott's Specialized catalogue as a local. The item is genuine enough in its own way, but I should never deem it to be

of any value save as a curiosity, memento of a scheme that did not work out as hoped for in the money making line planned by speculators.—Amy L. Swift.

Freemasonry Highly Honored By English Government

Who, other than stamp collectors, usually pays much attention to the stamps which bring letters to us from all parts of the world? In this respect our Grand Master Tinsley is not different from the rest of us. Besides, in his official position his volume of correspondence is large, and he has little time for contemplation of postage stamps. Letters come to him from all over the United States and from many other nations, the volume from English speaking countries being quite extensive.

Many letters arrive from England. Scores of them cross the Grand Master's desk. Yet only recently did a peculiarity in the stamp that brought one of them catch his attention. Examination of the enlarged reproduction of that three pence stamp shown in this article will make the reason plain.

It is a regularly issued Government Postage Revenue stamp showing the crowned head of King George VI, which of course is customary, but in addition it carries five important Masonic symbols! Brother Tinsley advises that this is the only instance coming to his attention where a civil government has so signally honored any fraternal organization. The Grand Master points out that King George is a Mason and a Past Grand Master of the United Grand Lodge of England. This fact, taken together with the other five symbols, makes this a purely Masonic stamp.

The five symbols are among the most important used in Masonry. On the stamp Masons will note the Square and Compass, the Trowel, the Setting Maul, a Sprig of Acacia carried by the Dove of Peace and a looped Cable Tow.

This official recognition of Freemasonry does much to indicate in what high regard the Fraternity is held in that country. To win such an honor is abundant proof that the influence of Masonic principles and teaching are reflected in the vision, progress and welfare of the nation.

American Freemasonry congratulates our English brethren upon this public recognition of their strength, unity and usefulness.

Masonic Chronicler, Waterloo, Wisc.

THIS 'N' THAT WITH THE TRADE

F. R. Ferryman's next two auctions are scheduled for August 14 at 2 p. m., in their office and features U. S. and Foreign, then on Sept. 20 and 21st at the Collectors Club offering commems on the world.

Those "hot flashes" in a stamp mag or two about the 3c Win-the-War being the latest boom in the stamp field sounds like so much malarky to us at this point. P. S.: And we own a couple!

Mr. Jesse E. Woods of Longmont, Colo., whose ad appears in this issue, is readying his new stampant and will have a nice service to offer our readers. Those who have been collecting a while will remember Mr. Woods from other years. Nice to have him back.

MURRAY BROSIUS
719 Church St. Nashville, Tenn.

There will be shown a number of exhibits of foreign and United States Essays and D^{rs} and Plate Proofs.

D. A. Loebenstein of California will have a display in the form of a study of the Georgian Penny Issues of the Commonwealth of Australia.

A branch post office and philatelic booth will be installed in the headquarters hotel by the Chicago Post Office. Visitors will be able to buy recent commemorative issues at this booth, and a special commemorative cancellation will be used on all mail posted there.

In cooperation with the Chicago Surface Lines, one of the city's ancient mail cars, which used to run over Chicago's street car tracks many years ago, will be resurrected, and will be operated as a mobile branch post office during the convention. Arrangements have been made for cancelling of first day covers aboard the vehicle.

A surprising demand for bourse tables has been received by those in charge of the meeting, and a heavy representation of dealers is already assured. The number of tables will be limited to 30 by lack of hotel space.

A number of outstanding trophies will be awarded during the Convention. One of the most important will be that presented by the Confederate Stamp Alliance for the best exhibit of stamps of the Confederacy. The trophy is an original letter written by Robert E. Lee in his own hand, when he was a Colonel in the Confederate Army. It is awarded annually and must be won three times before possession becomes permanent.

Another award is the Smeltzer Cup, which is presented for the best competitive foreign essay and proof exhibition.

An elaborate 36-page souvenir program will be distributed free to all persons attending the convention and exhibition. Prepared by the Society's historical committee, it will contain an account of the progress of both the national and the Chicago organizations for the last 60 years.

A souvenir poster seal, carrying a picture of the old Tremont House, first meeting place of the Chicago Philatelic Society, will also be distributed. The Tremont House stood at the corner of Lake and Dearborn streets in Chicago for nearly 60 years.

A depository for "Stamps for the Wounded" and will also be set up at the Hamilton Hotel. Stamps, albums and catalogues placed in it by visiting collectors will be turned

over to seriously injured G. I.'s in veteran's hospitals, where stamp collecting has proven extremely helpful in rehabilitation work.

Many outstanding events are scheduled on the convention program proper. There will be a special preview of the exhibition proper for representatives of the press on Wednesday, August 21st at 5:30 P. M., and a reception for officers and directors of the national society at 7:00 P. M. the same evening.

The opening business session will be called to order at 10:00 o'clock Thursday morning, August 22nd, and the evening of the same day a stag open house will be held with members of the

THE STAMP MARKET

As Seen By

Mint Sheet Brokerage Co.

For the first time in many weeks offerings of the early commems issued between 1928 and 1933 are being made. True no great quantities are available, but it might just be possible that recent price advances have been strong enough to attract sellers in today's notoriously thin market. Among the recent favorites moderate quantities of the much sought-after Virginia Dare (\$10.80 ask), China (\$12.00 ask), the Perf Byrd No. 733 (\$11.00 ask) are making a welcome reappearance. However Pony Express, Pan American and the rest of those 1940 issues still are among the missing so far as we are concerned. Tremendous activity in flags both singly and in full sets continues, with full pads of many varieties still making

their appearance at quite reasonable figures. There's been some hinting that 3c Win the War is about to follow the way of 3c Nat. Defense, but so far we certainly haven't been able to detect any unusual movement on this "dark horse" W. W. Scholl

how many readers of Linn's Weekly Stamp News are collectors of first day covers. We'd like to make up as complete a list of them as possible.

The object of the Century Cover Club is to further the interests of these collectors, but of course it can't be done without knowing who they are.

APS-CPS PROGRAM PLANS

(Continued from Page 6).

Chicago Philatelic Society as hosts.

Perhaps you're wondering what the "Beba" scheduled for 10:30 P. M., August 23rd, at the Polish Falcons' Hall, is all about. The only way we find out is to make it a point to be present for the event. Members of the society will be guests of the Polonus Philatelic society for the occasion, so it is superfluous to say that refreshments and entertainment will be both varied and ample.

The exhibition and all convention sessions will be held at the Hotel Hamilton, 20 South Dearborn, unless otherwise stated. The program in detail follows:

TUESDAY, AUGUST 20
12: Noon - U. S. Proofs and Essays Unit No. 9 of A. P. S. Flemish Room, Hamilton Hotel.

WEDNESDAY, AUGUST 21
10:00 A. M. Registration (all day)
5:30 P. M. Special Preview of Exhibition for Members of the Press.

7:00 P. M. Reception for Officers and Directors of American Philatelic Society, Flemish Room, Sponsored by Chicago Philatelic Society.

THURSDAY, AUGUST 22
9:30 A. M. Official Opening of Exhibition Grand Ballroom.
10:00 A. M. Opening Business Session, American Room, Donald F. Lybarger, president, American Philatelic Society, presiding.

12:30 P. M. A. P. S. Luncheon.

Under the directions of Mrs. Kirshbaum, Mrs. Schulze and Mrs. Stuart, a special entertainment program has been arranged for the ladies. Among its highlights are a moonlight skyline cruise on beautiful Lake Michigan at 9:30 P. M. Wednesday August 21st, a card party the following evening and a grand tour of Chicago, Saturday, August 24th.

Reservations should be made and tickets secured for all special ladies' events at the information desk on the ninth floor of the headquarters hotel. Reservations must be made in advance. The complete entertainment program for the ladies:

All indications are that the convention and exhibition will be one of the best in the long history of the two philatelic organizations. An outstanding program, replete

with special features of unusual importance and interest to all stamp collectors, has been arranged, and a heavy attendance is a foregone conclusion.

Chicago itself has no peer as a convention city, and many of the visiting collectors will doubtless plan to stay after the convention is over for a Windy City Vacation.

The convention, to be held in conjunction with the Diamond Jubilee Exhibition of the Chicago Philatelic Society, is expected to draw collectors and visitors from all parts of the country and hotel rooms will be at a premium.

For advanced reservations, Wire W. H. Schulze, 1826 Diversey Parkway, Chicago 14, Illinois.

ROBERT FULTON STAMP CO.
1905 Chestnut St., Philadelphia 7, Pa.

In our issue of July 18th we illustrated a cover from Hungary which bore five stamps with a face value of 1600 Million Pengos. At the same time we announced that reports were at hand which stated that the Hungarian Pengo was to be abandoned and that the Florin would be the new monetary unit. It would appear from the piece of cover illustrated above, which came on a letter out of Hungary, dated June 28th that another new issue of stamps must have been made before the Florin was adopted and that this latest issue is clear down to the bottom of the barrel.

The stamps on the above letter totaled 1600, but instead of being 1600 Million, they are for 1600 Millard. It is our belief that the Hungarian words for Million and Billion are the same as were used on the German inflation issues of the first world war. Germany issued a stamp, Scott 281 for 1 million Marks. This set continued up to No. 295 for 500 million Marks and the next value was for 1 Millard or one Billion as shown by the figures on the stamp. Thus we believe the Hungarian Millard is Billion and as such these stamps as illustrated represent 1600 Billion Pengos for postage on a single letter. Again we will leave the mathematicians do the figuring, these figures are so big that they mean merely nothing to us.

We doubt if such a fantastic valuation was ever before on any postage stamps of any nation of the world.

NEW CANADA ISSUE

(Continued from Page 1)

The Arms of Canada, with laurel and olive branches symbolic of victory and peace.

"To meet the wishes of First Day Cover collectors outside of Canada, as far as practicable, arrangements are being made to furnish selected advance supplies of the new stamps to the City Post Office at Ottawa, where mail order requests for First Day Covers will be attended to.

"Persons resident outside of Canada who desire to obtain First Day Covers should forward under cover to the DISTRICT DIRECTOR OF POSTAL SERVICES' OTTAWA, any covers intended for transmission on the first day of issue, 16th, September, 1946, together with a remittance for the face value of the stamps desired to be used, payable to the Receiver General of Canada. If personal cheques

are forwarded they must be certified or marked "ACCEPTED" by the Bank on which they are drawn. If the remitter asks that mint stamps be sent to him as part of the proceeds, the request cannot be complied with and the remittance, together with the unmailed covers, will have to be returned to the applicant.

"If blocks of double sized stamps are required to be used on First Day Covers, allowance should be made for the size of such stamps, and covers affording the necessary space should be forwarded.

"Collectors of First Day Covers resident in Canada are advised that the new stamps will be on sale in the regular manner at the principle Post Offices throughout Canada on the authorized First Day of Issue, 16th September, 1946; during the hours at which the stamp wickets are authorized to be open on that day; and if they so desire they may obtain copies for use on First Day Covers to be mailed at the point of purchase.

"PLEASE NOTE: Requests for First Day Covers must not include orders for mint or unused stamps. Mint stamps for philatelic purposes must be obtained only from the Philatelic Division, Financial Branch, Post Office Department, Ottawa, Canada, and remittances therefore must be made payable to the Receiver General of Canada at Ottawa."

Metropolitan Museum Stamp Is Proposed

Lewis J. Crispell of Kingston, N. Y. is starting a one man crusade to get a commemorative stamp for the Diamond Jubilee of the Metropolitan Museum of Art in New York City. The Anniversary date is February 22, 1947.

Since we had a stamp for the Smithsonian Institution it should not be beyond the possibility that we have a Met stamp. The change from war to peace motif for our stamps would be very well carried out with a stamp for this anniversary of one of the greatest institutions of its kind in the world.

Incidentally the Met is soliciting a fund of \$7,500,000.00 for expansion.

NEW CUBA AIR MAIL

From Dr. Ernesto Bello of Havana Cuba we have a copy of the new Cuban Air Mail Stamp. This is a 20c value, same as Scott's AP4 and is a beautiful pink color.

We illustrate the stamp for convenience of those who are interested in new issues.
